# HLF Gym Sports - Official Product Authorization & Specification

## Product Concept:

HLF Gym Sports is the world's leading supplier of premium gym equipment and sportswear today. Local, global, we operate in 30 countries and serve many more. Our industry-leading vertically integrated supply chain spans the globe with more than 250 facilities, including design studios, material processing plants, manufacturing facilities, specialized sportswear textile mills, and quality control labs. This extensive infrastructure and global reach enables HLF Gym Sports to engineer, produce, and supply a complete portfolio of the highest quality high-performance sports equipment, apparel, and nutrition accessories, locally and around the world.

## Project Income Sources:

Earn profit by distributing HLF Gym Sports products in your territory.

If you partner with HLF Gym Sports, you are HLF Gym Sports (agent for local distribution projects), HLF Gym Sports will design and manufacture premium equipment for you, and then you distribute and sell these premium gym products to authorized gyms and sport centers across your region. You get 60%, HLF Gym Sports gets 40%.

## HLF Gym Sports' Global Commitment to:

- 1: Ensure that the quality and integrity of each product is never compromised.
- 2: Never compromise on user safety; premium safety standards are our core policy.
- 3: Fulfill social responsibilities and promote healthy lifestyles across the country.
